"Scholar's Society IS my Summer Reading List ...six stimulating discussions and several insightful new friends."

—Kathleen Drummy, Scholar's Society Member since 2005

A Noise Within Celebrates Summer with the 2011 convening of The Scholar's Society, an exclusive club for the theatre's literary-minded patrons. The Society's mission is to engage members by creating a forum for ideas related to and inspired by the season's plays.

Members will enjoy a summer's worth of challenging and lively conversations in two arenas:

LITERATURE CLUB

Society members will come together to explore each of the upcoming season's six classical texts and authors to examine the historical, political, philosophical, and cultural influences that birthed each masterpiece. Guest experts will facilitate discussions.

ENRICHMENT WORKSHOPS

Society members will be offered two dynamic workshops during the course of the year which will feature an inside peek into the artistic process. Past workshops have included interactive discussions with directors, designers, composers, and other artists that collaborate to create A Noise Within's special brand of theatre magic.
